Steve Rausch

Personal Bio:

Hello, I'm Steve Rausch. I've been attending FBC Ponoka for the last 57 years as a third-generation member. I'm blessed to be married to Lesley, and together we have four grown children and six wonderful grandchildren. I became an active voting member of FBC in 2012, following my baptism here. Since then, my journey in faith has led me to serve in various leadership roles over the past six years, including positions on the Deacon Board, as Church Moderator, and as Property Deacon.

With a compassionate heart and a commitment to service, I strive to support and uplift those around me by fostering a welcoming and supportive environment within the church. My spiritual gifts—compassion, leadership, visitation, and prayer—are my foundation in walking faithfully and purposefully according to God's Word.

Outside of church, I enjoy Golfing, Camping with Family and Traveling, and I believe that faith is not only about words but also about actions that reflect God's love in the world.

As I step into this season of service on the Elders Board, I look forward to continuing to grow, serve, and connect with others through the mission of FBC Ponoka.

Deacon:

Jordan Harbridge

Personal Bio:

Hello, I am Jordan Harbridge I have been attending the First Baptist Church in Ponoka for about 13 years, starting when I first met Shanoa Hummelle at that time. Shortly after that I was blessed enough to get to marry her and become a husband. Now Shanoa Harbridge has been a blessing in my life ever since and we have three wonderful children that God has blessed us with as well.

I was raised in a Christian family and throughout my life God has kept an eye on me. I haven't always been a model Christian, but God was always there for me. Throughout all the hard times he has been patient with me and taught me valuable lessons. Some of the gifts that he has given me are patience, discernment, faith, mediation, kindness, and team building.

Outside of church I love to spend time with my family. I love to teach our kids anything from how to make the best mud soup, or how to build ridiculous forts with every blanket in the house. I enjoy hunting, camping, building, and learning. I continue to be amazed every day by the beauty and awesome wonder that God has created in this world.

I have been blessed to be able to help in Junior Church teaching the gr 2-4's and with the Worship teams to be able to lift our praise to the Lord and I am excited to see how I can serve his church body as a Deacon.
